

St. Ann's Academy Elementary Art Club

2018/2019

My name is Ms. Monique Reiswig, and I am the art teacher for the high school. I am excited to be running an elementary art club again so that students have a further chance to explore different kinds of art materials and creativity. Due to the limited space of the art room, there will **25 spaces** for art club, and these will be determined by the first 25 registration forms handed in to the office. The final due date for handing in the form is **Friday, October 12th**.

The art club will run for one hour on Wednesdays, from **3:00 – 4:00pm** in the high school art room (first floor of the high school Exner building, in the art room).

The schedule for meetings are as follows:

| Art Club Dates: |
|------------------------|
| October 24th |
| November 21st |
| December 12th |
| January 23rd |
| February 20th |
| March 6th |
| April 17th |
| May 15th |

We will be creating individual art pieces, as well as collaborative pieces to display and share with the school community. We will be working with a variety of materials, including; acrylic paint, drawing tools, chalk and oil pastels, and different types of paper and canvases. Please let me know if your child has a sensitivity or allergy to a specific type of art material, so that alternative options for projects can be made.

If there are any **parents helpers** that would like to join on specific dates for either group, please indicate on the following form. *All parent volunteers must complete a Criminal Record Check* – please see the school Office for more information.

Thank you! I look forward to creating fun and interactive art this year.
