ST. ANN’S ACADEMY

MISSION STATEMENT

To provide a Christian environment in an ever changing society, by living the gospel of Christ, in which we nurture and respect individual spiritual growth, and personal excellence in academic, artistic, and athletic endeavors while honoring our traditions and Catholic values.
SCHOOL HISTORY

The Sisters of St. Ann founded St. Ann’s Academy in 1880. The school was originally called St. Louis School and was situated in the Mission Flats area. The school moved to Nicola Street and was renamed St. Ann’s Academy very early in its history. The present site was selected and purchased by the Sisters in 1910; thus St. Ann’s on the Hill was born. The school continued to grow for the next thirty years, until tragedy struck on V-E Day 1945 when the upper two floors were destroyed by fire.

The school recovered from this disaster and under the guidance of Bishop Harrington a new wing was completed. The school now offered a full high school program, but found it increasingly difficult to keep up with the changing demands of BC’s curriculum.

St. Ann’s Academy remained a high school until 1970 when it reverted to an elementary school. The Sisters continued to administer the school until 1978, when Mr. Dale Scherer was appointed principal.

In 1980 Bishop Adam Exner made overtures to the Congregation of Christian Brothers to reopen the high school section. In September 1981 the first grade eight class in eleven years entered St. Ann’s Academy. The school experienced unprecedented growth since 1981 with enrollment surpassing 600 students by 2000.

In January 2002, the responsibility for the school passed from the Christian Brothers back to the diocese. St. Ann’s Academy is now part of the Catholic Independent Schools of Kamloops Diocese (CISKD), Ms. Holly Paluk, Superintendent.

GENERAL INFORMATION

Attendance
All students are expected to attend assigned classes. Failure to attend class will result in contact with the home and follow-up actions by the school.

Excused Absences
Occasionally a student will be absent for special events such as weddings, funerals, and/or holidays. A note from your parents identifying the reason and dates of the absence MUST be provided to the office. Your class teachers will then be informed.

The student is responsible in advance of the absence for consulting teachers for their homework. Extended absences, such as holidays, should be communicated as soon as they are booked. Don’t forget the courtesy of advance notice for your teachers. The responsibility for missed classes, tests, assignments, etc, and the resulting consequences, rest with the student and the parent.

Absence from school during the day disqualifies the student from participating in extra-curricular functions such as team practices, team games, dances, etc.

Telephone
A telephone is available for student use in the hallway by the school office.

Before and After School Supervision Policy
Student safety and security is of the utmost importance for everyone at St. Ann’s Academy. It is therefore important for all parents, students, and staff to understand and be aware of the supervision that the staff at St. Ann’s Academy provides.

Supervision of students is only provided from 8:00 AM to 3:00 PM by school staff. In an effort to ensure that we are providing a safe environment for our students, the front doors to the school will be locked until approximately 7:55 AM each morning. If students are dropped off at school before this time, students will have to wait outside (upper lot or lower playground) until the school doors are unlocked. After school, supervision is provided both in the upper parking lot and lower playground until 3:00 PM. After 3:00 PM, any remaining students on the school grounds will not be supervised.

Students who have a practice or event before 8:00 AM or after 3:00 PM will be welcomed into the school building by the appropriate staff person, who will be responsible for supervising them during this time.
**Elementary Electronics Policy**

Items such as personal music players, cell phones and Smart phones should not be brought to class and **are not to be used within the school building for the duration of the school day (including recess and lunch)**. Cell phones and other electronic devices are not to be used on the playground during school-offered supervision times (8:00 AM to 3:00 PM) except to receive phone calls/texts from parents after 2:30 PM. Parents must contact their child via the Main Office between the hours of 8:00 AM to 2:30 PM should they wish to pass on a message to their child. During field trips, the use of electronics during times of transportation for long distance trips are at the discretion of the teacher, but electronics/phones must not be used while field trips or athletic events are in progress (this includes school-organized after-school events).

In the event that a student is found to be in violation of this policy, the items will be confiscated by staff and stored at the office and will only be returned to parents. A second violation of this policy will result in the item being confiscated once again and the student being required to serve 5 hours of school community service. Subsequent offences of this policy will require the student and parents meet with Administration and the school Pastor to determine the assignment of greater disciplinary consequences which may include more community service hours, a school suspension or possibly expulsion.

To support our students in this policy parents are asked not to contact their children on cell phones during school hours. If an emergency arises, contact the school office and students will be informed immediately.

**Messages**

Sometimes parents have to contact their child. We ask that parents phone the office and we will do our best to get the message the student. A phone is located in the hallway beside the office for student use outside of class time.

**Cold Weather Policy**

Students are expected to go outside during regular supervision times (before school, recess, lunch, after school). Parents should ensure that their child brings the following items needed to stay warm and comfortable when outside: Warm coat, Gloves/Mittens, Head/Ear covering, Boots, and Waterproof snow pants.

**Temperature Guidelines:**

- **BELOW FREEZING (-1° Celsius to -15° Celsius)**
  Students will be expected to go outside for the duration of regularly scheduled outdoor time (before school, recess, lunch and after school) providing the wind speed is less than 15 km/h. If the wind speed is 15 km/h or more, reference will be made to the wind.
chill (‘feels like’) temperature. If the wind speed is 15 km/h or greater and the wind chill is -15° Celsius or colder, students will remain inside for supervision.

If the wind starts to pick up and students start to show signs of significant discomfort, the bell will ring early to allow students to come inside to their classroom, for the remainder of the outside play time.

➢ **TEMPERATURE REACHES -16°Celsius to -19° Celsius**
If the temperature reaches -16° Celsius to -19° Celsius, but the wind speed is less than 15 km/h, students will go outside for regular morning recess (15 minutes) and outside for 15 minutes of lunch recess (instead of 30 minutes). Students will be supervised in classrooms for the remaining 15 minutes of lunch recess. Should the wind speed be 15 km/h or higher, reference will be made to the wind chill (‘feels like’) temperature; should the wind chill be -15° Celsius or colder, students will remain inside for supervision.

➢ **TEMPERATURE REACHES -20 Celsius**
If the temperature reaches -20° Celsius, students will be supervised indoors (before school, recess, lunch, and/or after school).
