Grade 2 Music

June 12, 2017

Dear Parents/Guardians,

Hello everyone, I hope you are all having a wonderful remainder of the school year. With summer just around the corner, I would like to write to you with regards to your child's Music class for next September. During Music class, Grade two students will be playing the Recorder.

I have included below a list of prices for two recorder prices (new or used). If you have a recorder that is a Yamaha or Handel Recorder, and it is the same quality and make as the ones we use in class then please bring it, and then you would only need to purchase the book. Please fill in the form below, and return it to your child's classroom teacher with required fees before **Thursday, June 22, 2017**.

We will be using both the Music Play Book called the "Complete Recorder Resource Book." Students will:

- have a song/test piece each week
- be asked to bring their recorders and music books to each class. I often ask students to keep their recorder safely stored in their backpacks in a separate bag for the week so as not to forget their music supplies.
- need to practice three days a week, and to record this on their practice sheets which they will bring home to be signed weekly by their parents/guardians.

If you have any further questions please do not hesitate to contact me. Please note that I will need these orders in this month in order to ensure items are received in time for September. I look forward to another great School year ahead.

Kind Regards,

Charlotte Mahoney
