

Grade 3 Music - Recorder

May 22, 2018

Dear Parents/Guardians,

I have enjoyed being your child's Music teacher this past school year. Mrs. Kopper will be returning from her maternity leave and will resume the Elementary Music teacher position for the 2018-2019 school year. In planning for next year, instrument orders need to be placed very soon. In Grade 3 Music, students will be playing the Recorder.

If you wish to purchase a recorder for your child, please complete information below. I have included a list of prices for two recorder options (new or used). Alternatively, if your child can borrow a recorder that is a Yamaha or Handel brand or similar make as the ones we use in class then please have your child use it for music class, and then you would only need to purchase the recorder book for your child. Please fill in the form below, and return it to your child's classroom teacher with required fees before **Monday, June 4, 2018**.

Grade 3 will be using both the "Karate Recorder book" as well as the "Complete Recorder Resource Book." Students will:

- have a new song/ test piece each week
- be asked to bring their recorders and recorder books to each class. I often ask students to keep their recorder safely stored in a separate bag in their backpacks for the week so as not to forget their music items.
- need to practice three days a week, and to record this on their practice sheets which they will bring home to be signed weekly by their parents/guardians.

If you have any further questions please do not hesitate to contact me. Please note I will need these orders returned this month in order to ensure items are received in time for September.

Kind Regards,

Charlotte Mahoney
