

## GRADE 4 MUSIC - Ukulele

May 22, 2018

Dear Parents/Guardians,

I have enjoyed being your child's Music teacher this past school year. Mrs. Kopper will be returning from her maternity leave and will resume the Elementary Music teacher position for the 2018-2019 school year. In planning for next year, instrument orders need to be placed very soon. In Grade 4 Music, students will be playing the Ukulele.

If you wish to purchase a Ukulele for your child, please complete information below. Alternatively, if your child can borrow a ukulele that is of the same quality or similar make as the ones we use in class then please have your child use it for music class, and then you would only need to purchase the ukulele book for your child. Please fill in the form below, and return it to your child's classroom teacher with required fees before **Monday, June 4, 2018**.

Grade 4 will be using a book called, "Easy Ukulele Student Book".

Students will:

- have a song/test piece each week
- be asked to bring their ukulele to each class. I often ask students to keep their ukulele safely stored in their backpacks in a separate bag for the week so as not to forget their instrument.
- need to practice three days a week, and to record this on their practice sheets which they will bring home to be signed weekly by their parents/guardians.

If you have any further questions please do not hesitate to contact me. Please note I will need these orders in this month in order to ensure items are received in time for September.

Kind Regards,

Charlotte Mahoney
