GRADE 4 MUSIC - Ukulele

June 12, 2017

Dear Parents/Guardians,

Hello everyone, I hope you are all having a wonderful remainder of the school year. With summer just around the corner, I would like to write to you with regards to your child's Music class for next September. During Music class, Grade 4 students will be playing the Ukulele.

If you wish to purchase your own Ukulele or have one that you may borrow that is of the same quality or similar make as the ones we use in class then please bring it, and you would only need to purchase the book. Please fill in the form below, and return it to your child's classroom teacher with required fees before **Thursday, June 22, 2017**.

We will be using a book called, "Easy Ukulele Student Book".

Students will:

- have a song/test piece each week
- be asked to bring their ukulele to each class. I often ask students to keep their ukulele safely stored in their backpacks in a separate bag for the week so as not to forget their instrument.
- need to practice three days a week, and to record this on their practice sheets which they will bring home to be signed weekly by their parents/guardians.

If you have any further questions please do not hesitate to contact me. Please note I will need these orders in this month in order to ensure items are received in time for September. I look forward to another great school year ahead.

Kind Regards,

Charlotte Mahoney
