GRADE 5 MUSIC - Harmonica

June 12, 2017

Dear Parents/Guardians,

Hello everyone, I hope you are all having a wonderful remainder of the school year. With summer just around the corner, I would like to write to you with regards to your child's Music class for next September. During Music class, Grade 5 students will be playing the Harmonica.

If you wish to purchase your own Harmonica or have one that you may borrow that is of the same quality or similar make as the ones we use in class then please bring it, and then you would only need to purchase the harmonica book. Please fill in the form below, and return it to your child's classroom teacher with required fees before **Thursday, June 22, 2017**.

We will be using a Book called, "Voggy's Harmonica Book."

Students will:

- have a song/test piece each week
- be asked to bring their Harmonica and book to each class. I often ask students to keep their Harmonica safely stored in a separate bag and placed in their backpacks for the week so as not to forget their instruments.
- Students will need to practice three days a week, and to record this on their practice sheets which they will bring home to be signed weekly by their parents/guardians.

If you have any further questions please do not hesitate to contact me. Please note I will need these orders returned this month in order to ensure items are received in time for September. I look forward to another great school year ahead.

Kind Regards,

Charlotte Mahoney
