

## GRADE 6 MUSIC - Recorder and Bucket Drumming

May 22, 2018

Dear Parents/Guardians,

I have enjoyed being your child's Music teacher this past school year. Mrs. Kopper will be returning from her maternity leave and will resume the Elementary Music teacher position for the 2018-2019 school year. In planning for next year, instrument orders need to be placed very soon. In Grade 6 Music, students will be playing the recorder and participating in Bucket Drumming.

If you wish to purchase a recorder for your child, please complete information below. Alternatively, if your child can borrow a recorder that is of the same quality or similar make as the ones we use in class then you would only need to purchase the recorder book, along with the bucket and drum sticks, for your child. Please fill in the form below, and return it to your child's classroom teacher with required fees before **Monday, June 4, 2018**. For Bucket Drumming, students will be using a Book called, "BUCKET MUSIC" by Oliver Cutz which will be provided at no cost to students.

Students will:

- have a song/test piece each week
- need to bring their Drum Sticks and books to each class (Buckets are stored in the music room). I often ask students to keep all music items safely stored in a separate bag and placed in their backpacks for the week so as not to forget their instruments.
- need to practice three days a week, and to record this on their practice sheets which they will bring home to be signed weekly by their parents/guardians.

If you have any further questions please do not hesitate to contact me.

Kind Regards,

Charlotte Mahoney
