SCHOOL HISTORY

The Sisters of St. Ann founded St. Ann's Academy in 1880. The school was originally called St. Louis School and was situated in the Mission Flats area. The school moved to Nicola Street and was renamed St. Ann's Academy very early in its history. The present site was selected and purchased by the Sisters in 1910; thus St. Ann's on the Hill was born. The school continued to grow for the next thirty years, until tragedy struck on V-E Day 1945 when the upper two floors were destroyed by fire.

The school recovered from this disaster and under the guidance of Bishop Harrington a new wing was completed. The school now offered a full high school program, but found it increasingly difficult to keep up with the changing demands of BC's curriculum.

St. Ann's Academy remained a high school until 1970 when it reverted to an elementary school. The Sisters continued to administer the school until 1978, when Mr. Dale Scherer was appointed principal.

In 1980 Bishop Adam Exner made overtures to the Congregation of Christian Brothers to reopen the high school section. In September 1981 the first grade eight class in eleven years entered St. Ann's Academy. The school experienced unprecedented growth since 1981 with enrollment surpassing 600 students by 2000.

In January 2002, the responsibility for the school passed from the Christian Brothers back to the diocese. St. Ann's Academy is now part of the Catholic Independent Schools of Kamloops Diocese (CISKD), Mrs. Kelly Tries, Superintendent.

The student is responsible in advance of the absence for consulting teachers for their homework. Extended absences, such as holidays, should be communicated as soon as they are booked. Don’t forget the courtesy of advance notice for your teachers. The

responsibility for missed classes, tests, assignments, etc, and the resulting consequences, rest with the student and the parent.

Absence from school during the day **disqualifies** the student from participating in extra-curricular functions such as team practices, team games, dances, etc.

Telephone

A telephone is available for student use in the hallway by the school office. **Cell phones are NOT permitted to be used in the school from 8:25 am to 2:50 pm.**

Electronics Policy

Items such as personal music players, cell phones and Smart phones should not be brought to class and are not to be used during the school day within the school building or on the school campus for the durations of the school day (including recess, break and lunch). In the event that a student is found to be in violation of this policy, the items will be confiscated by staff and stored at the office and will only be returned to parents. A second violation of this policy will result in the item being confiscated once again and the student being required to serve 5 hours of school community service. Subsequent offences of this policy will require the student and parents meet with administration and the school Pastor to determine the assignment of greater disciplinary consequences which may include more community service hours, a school suspension or possibly expulsion.

To support our students in this policy parents are asked not to contact their children on cell phones during school hours. If an emergency arises, contact the school office and students will be informed immediately.

teacher, if the assignment is turned in after this time, a 10% deduction will be assessed for each school day the assignment is late, up to a 50% deduction. After this, students may still submit the assignment for evaluation to a maximum grade of 50% on that assignment.

Minor Assignments: These assignments are due at the beginning of class on the date due. Unless previous arrangements have been made with the teacher, if the assignment is turned in after this time, a 10% deduction will be assessed for each school day the assignment is late, up to a 50% deduction. After this, students may still submit the assignment for evaluation to a maximum grade of 50% on that assignment.

Plagiarism will not be tolerated. If it occurs the consequences are:

- Grades 8 – 10 students will receive a zero and must rewrite the assignment. They will only be able to achieve a mark of 50% (C-) on the rewrite.

Homework

Students are responsible for all their homework and assignments.

Syllabus

Teachers must provide the students with a course evaluation scheme at the beginning of the year. Specific details and changes to the evaluation scheme will be forthcoming if and when applicable.

Absent for a test

- Students must bring a note from their parents/guardians indicating the reason for missing the test and the parents must state that they know that the test was missed. Notes for missed tests and exams are required within **five** calendar days of the student's return to school. If the student does not bring in a note, he/she will be given a zero on the test. There will be no make-up for a missed test.
- In certain courses, Safety Tests **must** be passed before a student will be able to proceed with the course.
- Missing the January exam will mean the final exam must be written – no exemptions are possible.
- If a student misses a term or final exam, then it will be assumed that the illness was serious enough to see a doctor and a doctor's note will be required to verify that the student was unable to attend school to write the exam. Students without a doctor's note must do an exam at a time determined by administration.

Exams

Any term or final exams will be cumulative in content from the beginning of the year. (For example, material covered in September will be on all subsequent exams).

Exemptions from the final exam

St. Ann's Academy exemption policy is that students from grade 8 to grade 12 have the possibility of being exempted from the final June exams.

- Maintaining a minimum 80% average.
- The teacher will consider other criteria such as homework completion, attendance, work ethic, attitude, and discipline.

Exceptions to this exemption policy

- I. Provincially Examinable Course.
- II. Department modifications and discretion may be applied to the exemption policy.
- III When the student has 10 or more unexcused absences.

PHILOSOPHY

Exemptions from final exams are a privilege, not a right, and should be used as a reward for performance and consistent effort.

Exemptions require the approval of the subject teacher.

Teacher Duties

- Tests and assignments must be returned to the students within a two-week period for their perusal.
- It is the responsibility of the subject teacher to return all exams, assignments, projects and research papers to their students for their perusal during class time. These may be retained by the teacher at his/her discretion. Final exams must be kept on file for 12 months.
