SCHOOL HISTORY

The Sisters of St. Ann founded St. Ann's Academy in 1880. The school was originally called St. Louis School and was situated in the Mission Flats area. The school moved to Nicola Street and was renamed St. Ann's Academy very early in its history. The present site was selected and purchased by the Sisters in 1910; thus St. Ann's on the Hill was born. The school continued to grow for the next thirty years, until tragedy struck on V-E Day 1945 when the upper two floors were destroyed by fire.

The school recovered from this disaster and under the guidance of Bishop Harrington a new wing was completed. The school now offered a full high school program, but found it increasingly difficult to keep up with the changing demands of BC's curriculum.

St. Ann's Academy remained a high school until 1970 when it reverted to an elementary school. The Sisters continued to administer the school until 1978, when Mr. Dale Scherer was appointed principal.

In 1980 Bishop Adam Exner made overtures to the Congregation of Christian Brothers to reopen the high school section. In September 1981 the first grade eight class in eleven years entered St. Ann's Academy. The school experienced unprecedented growth since 1981 with enrollment surpassing 600 students by 2000.

In January 2002, the responsibility for the school passed from the Christian Brothers back to the diocese. St. Ann's Academy is now part of the Catholic Independent Schools of Kamloops Diocese (CISKD), Ms. Holly Paluck, Superintendent.

Don’t forget the courtesy of advance notice for your teachers. The responsibility for missed classes, tests, assignments, etc, and the resulting consequences, rest with the student and the parent.

Before and After School Supervision Policy

Student safety and security is of the utmost importance for everyone at St. Ann's Academy. It is therefore important for all parents, students, and staff to understand and be aware of the supervision that the staff at St. Ann's Academy provides.

Supervision of students is only provided from **8:00 AM to 3:00 PM by school staff**. In an effort to ensure that we are providing a safe environment for our students, the front doors to the school will be locked until approximately 7:55 AM each morning. If students are dropped off at school before this time, students will have to wait outside (upper lot or lower playground) until the school doors are unlocked. After school, supervision is provided both in the upper parking lot and lower playground until 3:00 PM. After 3:00 PM, any remaining students on the school grounds will not be supervised.

Students who have a practice or event before 8:00 AM or after 3:00 PM will be welcomed into the school building by the appropriate staff person, who will be responsible for supervising them during this time.

Electronics Policy

Items such as personal music players, cell phones and Smart phones should not be brought to class and are not to be used within the school building for the duration of the school day (including recess, break and lunch). In the event that a student is found to be in violation of this policy, the items will be confiscated by staff and stored at the office and will only be returned to parents. A second violation of this policy will result in the item being confiscated once again and the student being required to serve 5 hours of school community service. Subsequent offences of this policy will require the student and parents meet with Administration and the school Pastor to determine the assignment of greater disciplinary consequences which may include more community service hours, a school suspension or possibly expulsion.

To support our students in this policy parents are asked not to contact their children on cell phones during school hours. If an emergency arises, contact the school office and students will be informed immediately.

HIGH SCHOOL GRADUATION REQUIREMENTS

Starting in Grade 10, students wishing to graduate with a Dogwood have to pass certain basic courses in the Graduating Program, for example English, Math, and Science.

IMPLEMENTATION OF THE NEW B.C. GRADUATION PROGRAM

The new curriculum was mandated for Grade K-9 in the 2016/17 school year. Grade 10 will be mandated in the 2018/19 school year and Grades 11 and 12 in the 2019/20 school year.

Literacy and numeracy are core skills that cut across every subject – the keys to success in university, college and careers. Literacy is the ability to understand, critically analyse and create a variety of forms of communication, including oral, written, visual, digital and multimedia. Numeracy is the ability to understand and apply mathematical concepts, processes and skills to solve problems and make decisions.

Since July 2016, provincial exams for Language Arts, Math 10, Science 10, Social studies 11 and BC First Nations Studies 12 have been discontinued. Students in these courses are now fully assessed in the classroom. New provincial graduation assessments aligned with the redesigned curriculum in numeracy and literacy are now required for graduation.

The Graduation Numeracy Assessment was implemented in January 2018, and the Graduation Literacy Assessment will be implemented in January of 2020. The Language Arts Provincial Exam will continue to be administered, and weighted 40% of the final mark, until the Graduation Literacy Assessment is implemented. The following set of policies is associated with the new assessments:

- Stand-alone assessment (not tied to a specific course)
- Students can take the graduation assessments at any time during their graduation years
- Students must write each assessment once and may choose to write up to two more times, if required.
- Assessments are scored on a 4-level proficiency scale.
- Results will appear on Student Transcripts and their best outcome (proficiency score) will be recorded on their final transcript.
