## LOWER PLAY STRUCTURE WILL BE CLOSED JUNE 4- JUNE 19

Through the generous support of our school community, SAPA has managed to raise enough funds this school year to install the new playground structure on the lower field. It will replace the existing structure which had the broken slide removed last year. The lower play structure has been fenced off as of Monday, June 4 and the removal process has begun. The fence will be in place until approximately Tuesday, June 19 (depending on how the project goes). Parent volunteers are needed to help with the installation of the new playground on Saturday, June 16 (see details above). We wish to sincerely thank everyone who has contributed to making this possible! Special thank you goes out to SAPA Co-Chairs Mrs. Pilbeam and Mrs. Matuschewski for their tireless work all year long, and to Paul and April Johnson of Urban Appeal Landscaping for generously offering to donate their time and equipment for the removal and installation

process. The students are very excited to see the new playground that will be revealed at the end of June.
