SAPA Annual General Meeting and Executive Positions Available for 2018/2019

The St. Ann's Academy Parents Association Annual General Meeting will take place on Tuesday, June 12th at 6:30pm in the meeting room. We will be holding our election for the 2018-2019 executive. SAPA does a lot of work that benefits all of our students and families – please consider joining us! There are a couple of positions available, and no experience is necessary. Please contact sapa@st-anns.ca for more information, or to let us know you'd like to be involved next year.

1. The **President** preparing agendas; collecting paperwork from office; chairing meetings; signing off on requests and cheques (based on approval from committees); supervise all other officers in execution of their duties; preside at all meetings; is a signing officer.
2. The **Vice-President** support president; fills in chair duties in president's absence; is a signing officer.
3. The **Fundraising Coordinator** develops a fundraising plan for the year, organizes fundraising events and campaigns, works with the treasurer to ensure incoming funds are handled appropriately, and reports on fundraising plans and amounts raised at each meeting.

All parents/guardians of St. Ann's Academy students are eligible to serve on the SAPA executive. Executives are expected to attend our monthly meetings (currently the 2nd Tuesday of each month, 6:30 - 7:30pm, in the school meeting room, but we will consult the new executive in September to determine a schedule that works best for everyone). Our executive works very collaboratively, so while it may seem overwhelming to take on one of these positions, there is lots of help available! If you are interested, or if you have questions about any position, please contact sapa@st-anns.ca

MESSAGE FROM SAPA: PLAYGROUND INSTALLATION – VOLUNTEERS NEEDED

We are extremely excited to announce that we have reached our goal of purchasing a new playground for SAA! Thank you so much to all sponsors, donors, SAPA, volunteers and the school for helping us achieve this incredible goal. The project will be completed in the coming weeks and we are pleased to invite you to be a part of this generational project. The playground installation will take place on Saturday, June 16 and 20-30 volunteers are needed. This rewarding weekend will be a fun project working together with other St. Ann's

families which will both help our children AND count towards your PPP hours for the 2018/19 school year! Please note: typically PPP hours are not permitted to be carried forward to future years but due to the huge undertaking of this project, an exception has been made. Please see Mrs. Galea for a PPP card to track your hours. SAPA will sign off on the hours you volunteer for the playground installation.

Volunteers are needed to participate in the supervised installation of building the playground on Saturday, June 16th at 8 am. Depending on the number of volunteers, we could be done by 5:00pm. If you are not able to come for the whole time, any time you can give would be valuable. As this is a supervised and controlled installation, no true or specific skill set is required - but skilled workers and extended family and friends are graciously welcome. Because it is a construction site, children unfortunately will not be permitted on site during this time. Please let us know if you require childcare for the day (to be determined if we have enough need to provide this service).

Please sign up by Monday May 14, by emailing SAPA Co-Chair - danielle.pilbeam@yahoo.ca Should you have any questions, please email.

We would like to recognize our generous sponsors:

LOWER PLAY STRUCTURE WILL BE CLOSED JUNE 4- JUNE 19

Through the generous support of our school community, SAPA has managed to raise enough funds this school year to install the new playground structure on the lower field. It will replace the existing structure which had the broken slide removed last year. Therefore, the lower play structure will be fenced off beginning Monday, June 4 so the removal process may begin. The

fence will be in place until approximately Tuesday, June 19 (depending on how the project goes). Parent volunteers are needed to help with the installation of the new playground on Saturday, June 16 (see details above). We wish to sincerely thank everyone who has contributed to making this possible! Special thank you goes out to SAPA Co-Chairs Mrs. Pilbeam and Mrs. Matuschewski for their tireless work all year long, and to Paul and April Johnson of Urban Appeal Landscaping for generously offering to donate their time and equipment for the removal and installation process. The students are very excited to see the new playground that will be revealed at the end of June.

PARENT PARTICIPATION PROGRAM (PPP)

This is a reminder to all families who have not completed the full 20 hours of volunteerism for the current school year 2017-2018 or notified Mrs. Vicky Galea via e-mail (vicky.galea@st-anns.ca) with your plans to complete the hours before the end of the school year – your cheques will be deposited next week.

ALL PPP cheques will be deposited first thing Tuesday morning May 22nd.
